DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Friedrich Kueffner on 05/01/2007.

The application has been amended as follows:

Claim 8, in lines 5 and 6 "grip 10." has been changed as --grip (10);-- ;

in line 15 "hell-like" has been changed as --shell-like--;

in line 17 "the shell" has been changed as --the first structural unit--.

REASONS FOR ALLOWANCE

2. Claims 8 - 15 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest, in combination with the claimed elements, a handle for vehicle doors with a locking system witch activated by a manually operated grip and push button switch, wherein the push button switch having a second structural unit inserted in a shell interior of a first structural unit that protrudes with a projecting shell edge beyond the rear side of the second structural unit; a safety plate for securing the inserted position of the two structural units at least partially covers the circuit board on the rear side of the inserted second structural unit and wherein the

safety plate is secured in the projecting shell edge of the first structural unit, and wherein a remaining part of the shell edge remains of the housing of the first structural unit and serves as a mold; wherein the mold receives a sealing compound which, after fastening, closes off the shell opening of the first structural unit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
